

## Tunica County School District

### Request for Proposal for Curriculum Software for Instruction, Remediation and Enrichment (K-12) 2021-2022

The focus of the Tunica County School District is Teaching and Learning.

Purpose of RFP:

The district is requesting proposals/quotes for the following:

curriculum software for instruction, remediation, and enrichment for grades K-12 in all core subjects (English Language Arts, Mathematics, Science and the Social Sciences), as well as supplemental subject areas (such as, but not limited to, Foreign Languages, Fine Arts, Health, etc.).

The goal of the TCSD is to use this program for supplemental individualized learning of enrichment and remediation for all grades within all subjects (K-12). In addition, this program will be the core program for credit recovery of credit-bearing courses and direct instruction for the alternative school users (grades 6-12).

The program must adhere to, align with, and provide the following:

- provide scope and sequence and/or pacing guides for all courses
- provide credit-bearing courses that are approved through the Mississippi Department of Education
- provide writing components with accompanying rubrics from the district/state
- provide additional resources beyond the lesson content
- link to content videos and other media that are content-specific and appropriate for the various learning levels
- provide concise and easy-to-read reports for student information
- provide concise and easy-to-read reports for teachers to make data-informed decisions
- provide a student and teacher dashboard to monitor progress
- provide features to accommodate English Language Learners

- link with our PowerSchool (student information system) and Class Link (for rostering)
- be compatible with apps relative to Chromebooks
- be compatible with the One Roster data format
- allow for Single Sign On via a managed process equal to or compatible with Class Link
- provide access to live and on-demand student support 24/7 (through a certified Mississippi instructor).
- provide professional development training to teachers via zoom and on-demand through tutorials/videos
- be priced as a bundle for K-12 for current student enrollment
- agree to service/contract addendums as agreed upon by the TCSD School Board Members/Attorney

**Vendor Selection Criterion:** TCSD requests the following information from the vendor within the proposal:

- Detailed Overview of Vendor and Product
