ATTENDANCE

Unexcused Absences

The Tunica County School District follows the Compulsory School Attendance Law in reporting Unexcused absences to the County Attendance Officer and the Department of Human Services. An accumulation of unexcused absences may be one factor in determining promotion/retention of a student.

Board Policy JBD: Attendance, Tardiness, and Excuses

ATTENDANCE

In order for a student to be considered as having attended school for a full day, the student must be present 63% of his or her individual instructional day. For the purpose of reporting absenteeism, a student who has an absence that is more than thirty-seven percent (37%) of the student's instructional day shall be considered absent the entire school day.

UNLAWFUL ABSENCES

An absence for an entire school day or during part of a school day when such absence is not due to a valid excuse is an unlawful absence.

REPORTING OF ABSENCES

If a student is absent, the parent or guardian must phone or personally go by the Attendance office to report the reason for the absence. The phone number for reporting attendance problems is **662-363-4224**. **Documentation for illness (i.e., Dr. Appointments) is necessary.** Documentation must be submitted on the day the student returns to school for the absence to be considered excused. If parental, legal or medical documentation is not presented on the day the student returns to school, the absence shall be considered unexcused unless reviewed and approved by an Administrator.

Each of the following shall constitute an excused absence:

1. Illness or injury, which prevents the student from being physically able to attend school.
2. When isolation is ordered by the county health officer, the State Board of Health, or an appropriate school official.
3. Death or serious illness of a member of the immediate family, which includes grandparents, parents, brothers, sisters, stepbrothers, and stepsisters. The absences must be approved by the principal or his/her designee.
4. A medical or dental appointment documented with the proper excuse from the attending physician/dentist upon return to school.
5. Attendance at the proceedings of a court or an administrative tribunal if the student is a party to the action or under subpoena as a witness.
6. Observance of a religious event, with prior approval of the principal or his/her designee. (Approval should not be withheld unless, in the professional judgment of the principal or his/her designee, the extent of absence would adversely affect the student's education.)
7. Attendance at an authorized school activity with the prior approval of the principal or his/her designee.
8. Participation in a valid educational opportunity, such as travel including vacations or other family travel, with prior approval of the principal or his/her designee.

9. An absence may be excused when it is demonstrated to the satisfaction of the principal or his/her designee, that conditions are sufficient to warrant the child's non-attendance. However, no absences shall be excused by the principal or his/her designee, when any student suspensions or expulsions circumvent the intent and spirit of the compulsory attendance law.

Middle School Students (6-8)

- Five (5) absences may be excused by a note from a parent/guardian.
- Any additional absence after the five (5) excused by a parent/guardian note **must** be excused by a note from a doctor or other documentation excusing said absence.
- Any documentation being given for excuse of absence(s) **must** be submitted to the principal or his/her designee within three (3) school days of returning to school, unless granted an exception by the principal for extenuating circumstances.
- When a student has exceeded five (5) unexcused absences, the Tunica County Attendance Officer shall be notified in writing within two (2) days by the school principal or his/her designee.

MAKE-UP WORK POLICY

When a student is absent from school (excused or unexcused), the number of days allowed to complete any required make-up work is commensurate with the number of days missed to a maximum of five (5) days. During the course of the school year, students may become sick and unable to attend class. Regular class attendance is extremely important for the academic well being of students. If your child cannot attend school, learning should continue (to the degree possible under the circumstances) during his or her absence. If your child is absent from school for two consecutive days, please call the Front Office by 9:00 a.m. on the second day and request the assignments. We will send a note to the teachers, ask for updates to the assignments, and have that information ready for you to pick up by the end of that school day.

Absences from class that happen as part of official, school sponsored events (such as field trips) are not counted as absences. In these cases, *students should coordinate with their teachers in advance* to ensure that assignments are obtained, work is completed, and learning continues.

For example, if a student is absent from school for one (1) day, the student has one (1) day to complete the required make-up assignments. If the student is absent for five (5) days, he/she will have five (5) days to complete his/her make-up work. If the student is absent for twelve (12) days, the student has five (5) days to complete the missed work. The principal has the discretion to allow time or limit the number of required assignments in extreme situations.

The principal has the discretion to allow additional time or limit the number of required assignments in extreme situations.

SCHOOL DAY SCHEDULE

The school instructional day will last from 7:45-3:20. All teachers are to arrive

3. Middle school students are not allowed on any Elementary Campuses, the High School Campus nor the David Williams, Jr. Career and Technical Center without permission from the school office and/or principal.

Board Policy JBDA: Check Out Procedures

Checking out of school is done in the following manner:

1. The student makes the parent/guardian aware of the time periods between classes in order to prevent instructional time interruptions.
2. The parent/guardian reports to the school office and signs the checkout list and the student is then cleared to depart the campus. **Students will not be released from school unless the parent/guardian signs the student out. To be checked out, a student must have on file in the Principal's office documentation that identifies who is authorized to "check out" the child.**

Because time on task in the classroom is extremely important to the student's success, checking out of school prior to the dismissal time is strongly discouraged. Doctor and dental appointments should be scheduled during non-school hours whenever possible. Students not following this procedure are subject to disciplinary action.

PERMISSION TO LEAVE SCHOOL

Once a student arrives at school, the student is to remain throughout the entire day unless the student's parents, guardians or adults designated on the emergency procedure card personally sign the student out in the school's office for a designated time for that school day. This may not be done over the phone.

RESIDENCY VERIFICATION

District policy, JBC, is adopted by the Tunica County School District based on the State Board of Education Policy on Verification of Residence as such was adopted on April 20, 1990. Definition of residence: The student physically resides full time, weekdays/nights and weekends, at a place of abode located within the limits of the school district.

STUDENTS LIVING WITH PARENTS OR GUARDIAN

The parent or legal guardian of a student seeking to enroll must provide the school district with at least two of the items numbered 1 through 8 below as verification of their residence, except that any document with a post office box as an address will not be accepted. The parent/guardian must also provide custody paperwork in the form of a divorce decree, guardianship document, and/or other legal documents establishing custody for educational purposes if such paperwork exists.

1. Filed Homestead Exemption Application Form;
2. Mortgage Documents or Property Deed;
3. Apartment or Home Lease;
4. Current Utility Bills;
5. Driver's License;
6. Voter Precinct Identification;
7. Automobile Registration;
8. Any other documentation that will objectively and unequivocally establish that the parent or guardian resides within the school district.
In the case of a student living with a legal guardian who is a bona fide resident of the school district; Certified copy of filed Petition for Guardianship if pending and final when granted.

The Tunica County School District intends to enroll only those children who are qualified to be enrolled in the school district and to either deny enrollment or dismiss those students who have not qualified for failure to meet the conditions set out in the policy. In the event that good faith questions are raised about any student eligibility to attend the Tunica County School District, the administrative designee to verify residency shall attempt to establish the student's residency and shall request additional documentation as may be required to satisfy the questions raised. If the verification of residency, as set forth in the policy, is not established, a notice of noncompliance will be sent to the home of the student giving notice that the student will be dismissed from school if proper verification of residency is not completed.

MISSISSIPPI COMPULSORY SCHOOL ATTENDANCE LAW

Mississippi Code 37-13-91

The School Board is committed to providing the students of the Tunica County School District a performance based educational program. The School Board believes that all children can learn and that their daily attendance enhances the educational process. Therefore, in accordance with Mississippi Code 37-13-91, the Tunica County School District is directed to enforce the Mississippi Compulsory School Attendance Law and shall apply the same standards to all students.

“Compulsory-school-age children” means a child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year.

An “unlawful absence” is an absence during a school day by a compulsory-school-age child and is not due to a valid excuse for temporary nonattendance.

Each of the following shall constitute a valid excuse for temporary nonattendance of a compulsory-school-age child enrolled in school, provided satisfactory evidence of the excuse is provided to the superintendent of the school district or his/her designee.

1. An absence is excused when the absence results from the compulsory-school-age child’s attendance of an authorized school activity with the prior approval of the superintendent of the school district or his/her designee. Such activities may include field trips, athletic contests, student conventions, musical festivals and any similar activity.

2. An absence is excused when the absence results from illness or injury, which prevents the compulsory-school-age child from being physically able to attend school.

3. An absence is excused when isolation of a compulsory-school-age child is ordered by the county health officer or by the State Board of Health.

4. An absence is excused when it results from the death or serious illness of a member of the immediate family of a compulsory-school-age child. The immediate family member of a compulsory-school-age child shall include children, spouse, grandparents, parents, brothers and sisters, including stepbrothers and stepsisters.

5. An absence is excused when it results from a medical or dental appointment of a compulsory- school-age child where an approval of the superintendent of the school district or his/his designee is gained prior to the absence, except in the case of emergency.

6. An absence is excused when it results from the attendance of a compulsory-school-age child at the proceedings of a court of administrative tribunal if such a child is a party to the action or under subpoena as a witness.

7. An absence may be excused if the religion, to which the compulsory-school-age child or such child’s par suggests the observance of a religious event. The approval of such absence is within the discretion of the superintendent or his/her designee, but approval should be granted unless the religion’s observance is of such duration as to interfere with the education of the child.

8. An absence may be excused when it is demonstrated to the satisfaction of the superintendent or his/her designee that the purpose of the absence is to take advantage of a valid educational opportunity such as travel including vacations or other family travel. Approval of such absence must be gained from the superintendent of the school district or his/her designee prior to the absence but such approval shall not be unreasonably withheld.

9. An absence may be excused when it is demonstrated to the satisfaction of the superintendent or his/her designee that conditions are sufficient to warrant the compulsory-school-age child’s nonattendance.

Any parent, guardian or custodian of a compulsory-school-age child subject to the provisions of this policy who refuses or willfully fails to perform any of the duties imposed upon him or her under the provisions of this policy or who intentionally falsifies any information required to be contained in a certificate of enrollment, shall be guilty of contributing to the neglect of a child and, upon conviction, shall be punished in accordance with the provisions of MS Code 97-5-39.

If a compulsory-school-age child has not been enrolled in a school within fifteen (15) calendar days after the first day of the school year of the school which such child is eligible to attend or such child has accumulated ten (10) unlawful absences during a semester, the principal or school superintendent shall report such absences to the school attendance officer of the youth court or family court.

Mississippi Compulsory School Attendance Law requires that every child who has not reached the age of 17 prior to Sept. 1 shall be enrolled and regularly attend school for that school year. All unexcused absences will be reported to the Tunica County Youth Court, as required by law.

CARE OF SCHOOL PROPERTY

As good citizens, students are expected to do their individual part in caring for the building and school grounds. This can be accomplished by each student using garbage cans, refraining from marking on walls, desks and tables, or on other property, picking up paper and other materials around campus. Open containers of food and/or drink shall not be permitted in the hallways or in the outside areas. Students should realize that littering, vandalism and maintenance due to abuse is a burden on the school district and that they are responsible for any damages they incur and will be required to pay for any damages they intentionally inflict.

EXPECTATION OF BEHAVIOR

School in General: Respect constituted authority and abide by school regulations. Avoid loud talking, whistling, running, pushing. Be in the correct area for appropriate grade level. Be a lady or gentleman at all times.

Field Trips: Behavior in class, at school, and on field trips will determine if students are allowed to participate in field trip activities. Students serving ISS and OSS may not attend any school dance or field trip for a period of 9 weeks from the date the suspension occurs. Consideration will be given on an individual basis to those students with disabilities that may impact their behavior. Note: Field Trip fees are nonrefundable.

In the Cafeteria: Enter the cafeteria as you would a restaurant in town. Do not run or push. Be as refined in your cafeteria table manners as you are in your own home. When you have finished throw all trash in the appropriate container. Excessive noise is not permitted in the cafeteria. No cafeteria products are allowed outside the cafeteria. No fast food lunches are allowed in or outside of the cafeteria.

In the Media Center: Develop an appreciation and respect for books. If this is done, you will naturally handle them with care. Be considerate of others by being silent for those who are reading. Follow the requests of the media specialists and cooperate with them.

Do not push, but move through the corridors in an orderly manner like ladies and gentlemen. Do not make excessive noise in the halls during or between classes.

BULLYING POLICY: Adopted: June 30, 2010 – Revised: November 14, 2017

The Tunica County School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person' or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school Interim Superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the students and teacher of such class as a whole, (c) No student or school employee shall be subjected to bullying or harassing behavior by school employees or students, (d) No person shall engage in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior, (e) A school employee who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior shall report the incident to the appropriate school official and (f) A student or volunteer who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior should report the incident to the appropriate school official.

The Tunica County School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The Interim Superintendent or designee will design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Tunica County School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Interim Superintendent.

I. Definitions

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

MULTI-TIERED SYSTEMS OF SUPPORT

The primary purpose of the Multi-Tiered Systems of Support (MTSS) is to assess students' needs and for those students who demonstrate learning and/or behavior problems that interfere with their success in the classroom and in the school environment. The MTSS process is supported by the **Mississippi Department of Education (MDE) State Board Policy Code 4300 entitled Intervention Process**. MDE requires an instructional model designed to meet the needs of every student. The model is to consist of three tiers of instruction.

- Tier I –Quality classroom instruction based on MS Curriculum Frameworks
- Tier II –Focused Supplemental instruction
- Tier III -Intensive interventions specifically designed to meet the individual needs of students.

Teachers use progress monitoring information to (a) determine if students are making adequate progress, (b) identify students as soon as they begin to fall behind, and (c) modify instruction early enough to ensure each and every student gains essential skills. Monitoring of student progress is an ongoing process that may be measured through informal classroom assessment, benchmark assessment instruments and large-scale assessments.

This process requires a broad range of competencies and shared responsibilities for educational planning so that all persons who have an interest in the student's success (teacher, administrator, parent and/or guardian) can cooperate and coordinate their efforts. It increases the clarity of teacher, staff, and home communication. The MTSS process should be utilized throughout the school year to resolve issues, problems, or concerns related to the performance of students as identified by teachers, administrators, parents and/or guardians.

It is important to note that the referral of a student for a child study to begin a student for special services under the provisions of the Individuals with Disabilities Education Act (IDEA) should only be considered after all other appropriate instructional interventions and strategies have been implemented and the student continues to be "at risk" or if the student is obviously disabled.

Parent Student Grievance Policy

Title VI, Title IX, Section 504, and ADA

Grievance Procedure

In accordance with Federal and State Office for Civil Rights Guidelines, any student or parent who believes the Tunica County School District or any of the District's staff, teachers and administrators have inadequately applied the principles of and/or regulations of Title VI of the Civil Rights Act of 1964 (race, color, national origin), Title IX of the Education Amendment Act of 1972 (sex/gender), and Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act of 1991 (disability), may file a complaint which shall be referred to as a formal grievance.

Whenever possible and practical, an informal solution to the grievance is encouraged and should be attempted at the principal/director level. However, if an informal acceptable solution cannot be reached, the parent or student may file a formal grievance as follows:

Step 1

The student or parent should submit a formal, written complaint to the principal or director within five working days of the date when the incident occurred or within five working days of the date the employee reasonably should have known that the incident occurred. A copy of the formal, written complaint must be forwarded to the Assistant Superintendent.

The principal/director shall have five working days from the date of receiving the complaint to resolve the grievance.

If the student's or parent's complaint is with the principal/director, the employee may forego Step 1 and file the complaint directly in Step 2.

Step 2

If not resolved at Step 1, the decision may be appealed to the office of the Assistant Superintendent within five working days. The Assistant Superintendent shall have five working days from the date of receiving the complaint to resolve the grievance.

Step 3

If not resolved at Step 2, the decision may be appealed to the Superintendent within five working days. The Superintendent shall have the final authority to resolve the grievance or to determine that the grievance is unsubstantiated.

The Superintendent and/or Assistant Superintendent may assign an investigator to gather relevant documents, interview witnesses, and make a recommendation as to necessary action. If the investigation reveals that the complaint is valid, then prompt, appropriate remedial and/or disciplinary action will be taken immediately to prevent the continuance of the harassment or its recurrence.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior, the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students and parents are expected to act responsibly, honestly, and with the utmost candor whenever they present discrimination allegations or charges against fellow students, a staff member, or others associated with the district, or third parties.

Some forms of sexual harassment of a student by another student may be considered a form of child abuse, which would require that the student-abuser be reported to proper authorities in compliance with State law. **This guideline does not negate the requirement for reporting suspected child abuse to the proper authorities in compliance with state law.**

Please see district policies for all updates on COVID-19 policies on Tunica County School District online policies.

COVID-19 POLICIES

1. **IAAB – Staff Conduct on Virtual Meetings**
2. **IJBD – Responsible Use of District Issued Technology**
3. **JGA – Pandemic/Epidemic Emergencies**
4. **JGAA – Return to School During COVID-19**
5. **JRAB – Compliance with FERPA**

COVID-19 Policy Descriptions

1. **Policy IAAB – Staff Conduct on Virtual Meetings** — This is a new policy that discusses a variety of topics such as which virtual platforms are acceptable for use in the district, student communication, the disclosure of certain information, and staff conduct while on virtual meetings.
2. **Policy IJBD – Responsible Use of District Issued Technology** — This is a new policy created in accordance with SB 3044, which requires a district to create a responsible use policy for the use of district issued technology and devices under the Equity in Distance Learning Act. School districts must have a policy in place by September 1, 2020 in order to be eligible under this program.
3. **Policy JGA – Pandemic/Epidemic Emergencies** — This policy was already adopted before the COVID-19 pandemic; however, most districts do not have/did not know about this policy. This policy provides an abundance of helpful information for school districts on how to handle a pandemic/epidemic generally.
4. **Policy JGAA – Return to School During COVID-19** — This is a new overarching policy that accounts for many of the issues that schools will have to face upon restarting school. The policy accounts for the three different start up methods recommended by MDE, it gives guidelines on sanitation both on campus and on buses, it gives recommendations on student and employee absences and when it is safe for those infected to return to campus, and it also accounts for general transportation and visitors to campus. This policy will need to be adjusted to fit each individual district.
5. **Policy JRAB – Compliance with FERPA** — This policy was amended to account for the use of distance learning methods and how any distance learning must comply with the guidelines under the Families Educational Rights and Privacy Act (FERPA). The primary guideline being that districts must at all times protect the personally identifiable information of their students.
